Rani alias Rani Kaur Versus State of Punjab

FIR No. 187 Dated 27.06.2026

U/s 22/29/61/85 NDPS Act.

Police Station: Sadar Dhuri.

Bail Application u/s 483 BNSS

Present:- Shri Ajay Pal Singh, Advocate for applicant/accused.
Shri Mahesh Goyal, Additional Public Prosecutor for State.

ORDER :

1. This order shall dispose of an application moved by applicant-accused **Rani alias Rani Kaur** for releasing her on **regular bail**, in the above said case.
2. Notice of the bail application was given to State. Learned Additional Public Prosecutor for State put in appearance on behalf of the State and the record was produced.
3. I have heard the learned Counsel for applicant/accused, Additional Public Prosecutor for State and also perused the record.
4. It is submitted by the applicant as well as argued by her counsel that the applicant/accused has been falsely implicated in the present case. It is further submitted that the alleged recovery has already been effected and nothing is to be recovered from applicant/accused. Presentation of challan and conclusion of trial shall take long time and no useful purpose would be served by keeping the applicant/accused behind bars. Applicant/accused is in custody since long and she is no more required by the police. Applicant/accused shall not misuse the concession

of bail and shall not leave India without prior permission of the Court and shall abide by all the terms and conditions imposed by the Court and shall not tamper with the prosecution evidence. Hence, the prayer for relief of regular bail.

5. On the other hand, the learned Additional Public Prosecutor for State has vehemently argued that on 27.06.2026, applicant/accused was apprehended by the police. From the polythene bag thrown by applicant/accused, 10 intoxicant injections of THEMIDO (Tramadol 50mg/ml each) were recovered. Applicant/accused is involved in a case of Narcotic Drugs and Psychotropic Substances Act and FSL report has not been received. As allegations against the applicant/accused are grave in nature and FSL report is not received, she does not deserve the leniency of the Court in grant of relief of regular or interim bail.

6. As has transpired from the record, on 27.06.2026, applicant/accused was apprehended by the police. From the polythene carry bag thrown by the accused/applicant 10 intoxicant injections of THEMIDO (Tramadol 50mg/ml each) were recovered. Accused/bail applicant is in custody since her arrest on 27.06.2026. In this case the report of Chemical Examiner has not been received as yet. Further the challan has not been presented in the Court. Applicant/accused is in custody in this case since her arrest. Prosecution will prove its case against applicant/accused only after submission of report under Section 193 BNSS, 2023 (old Section 173 Cr.P.C.) on completion of investigation.

It is a settled legal proposition that the delay in testing the sample does result in prejudice to the alleged offender as till the results are available, there can be no certainty with regard to the kind and quantity of the contraband, allegedly recovered. In such cases, accused may be released on interim bail, if there is likelihood of delay. In **Inderjit Singh alias Laddi Versus State of Punjab (P&H) DB, 2014 (3) RCR (Criminal) 953**, it has been observed by our own Honorable High Court that the Presiding Officer of a Special Court dealing with NDPS cases, where ever the need is felt and where the matter is being unnecessarily delayed may grant interim bail till the receipt of the FSL report and thereafter consider the case after the receipt of the report.

7. Applying the aforesaid parameters of law to the facts of the present case, the Court is of the opinion that it is a fit case for grant of relief of interim bail till receipt of report of Chemical Examiner. Thus, subject to the contents and their quantity that may be found in the report of Chemical Examiner, the applicant/accused is admitted to **interim bail** till receipt of FSL report subject to her furnishing bail bonds in the sum of Rs.50,000/- with one surety in the like amount to the satisfaction of learned Illaqa/Duty Magistrate and also subject to the following conditions :-

- i. That the applicant will make herself available in the investigation of the case, as and when required;
- ii. That the applicant will not tamper with the prosecution evidence; and
- iii. That the applicant will not leave the country without prior permission of the court.

8. Learned Additional Public Prosecutor for State/ Investigating Officer is directed to ensure that the report of Chemical Examiner be produced in the Court immediately on its receipt. Further, it is made clear that this relief of interim bail will subsist only till the receipt of chemical report, whereupon the applicant/accused shall surrender before the court and file regular bail application, which shall be disposed of on merits in the light of report of FSL. The application stands disposed of accordingly, without expressing any opinion on the merits of the case.

9. Police record be returned. File be tagged with the remand papers.

Announced in open Court.
