At 2.00 pm

Present Sh. Amit Kumar, Ld. Counsel for DH.

None for JD.

District Nazir Balram has appeared with the Nazir of the Court. He submits that he was informed by the Nazir of the Court that some application for bringing on record the LRs was moved that is why the last order could not be complied and today he tried to comply with the order and went to SBI, Tis Hazari who informed him that the cheque in question given by the JD belongs to Canara Bank that is why the same could not be honoured today. He further submits that due to the confusion created by the information received from the Nazir the previous order of the Court was not complied and he will remain careful in future.

There is no reason for the District Nazir not to secure the amount of cheque from the account of the JD even in case there is some application filed by the DH. In case of any confusion, the District Nazir should have contacted the Court for clarifications and should have

secured the amount from the account of the JD.

District Nazir undertakes that same would be done within a week and the amount will be transferred in the name of the Court from the account of the JD in the form of FDR within a week.
