

M.A.C.P. NO. 1304 /2014

ORDER BELOW EX - 1

(1) I have perused the record and proceedings of the present petition. The present petition is filed for compensation under the Motor Vehicle Act. The present petition is pending for final arguments. On perusal of the case records, the petitioner has not served the process to the opponents and service is pending since 10.09.2014. The predecessor Officer has proceeded with the trial but the petitioner has failed to produce any disability certificate in support of her case to prove the injury caused to the petitioner. The case is notified regularly in the Case Information System. Today also the present case is placed on board and is notified in the Case information system, but, the applicant is not present on callouts. Notice is sent to the petitioner which has returned unserved and produced at Exh.13. The Applicant's Ld. Advocate has remained present before the Court. The present matter is more than 10 years old and is a targeted case to be tried as per directions. It appears that the applicant has no interest in further proceedings of the petition. In absence of proceedings the present matter can not be decided on merits. Hence, no option left with this Tribunal but to dismiss the present petition for default. Accordingly the same is hereby dismissed for default.

(2) The present motor accident claim case being a beneficial legislation, in case the applicant remains present with any evidence in support of the case in future, on an application filed by the applicant, the case shall be restored without any cost and decided as per the provisions of law and as per directions.

(2) Parties shall bear their own costs.
