Petition filed under Section 151 of the Code of Civil Procedure, 1908 praying this court may pleased to issue summons to the witness described in the accompanying schedule for examination as a witness on the side of the defendants.

This petition coming on for hearing before me on 04.06.2026 and the Court on the same day passed the following:

ORDER

Respondent opposed the application. This is an application filed by the defendant to summon the Sub Registrar in order to prove the execution of the Will deed. It is to be noted that Sub Registrar Ernakulam was already examined. Now this application is filed to summon the Sub Registrar who was present at the time of execution of alleged Will deed. Execution of Will deed cannot be proved by executing the Sub Registrar. Moreover defendant had ample opportunities to take steps at the appropriate time. The suit was listed for trial on 04.02.2026. This application is filed to delay the proceedings of the case. Hence I am of the view that this application is not allowable. Hence petition dismissed.

(Pronounced by me in open court, on this the 4th day of June, 2026).
