

**Order Below Ex.1 in CR A No.50/2026**

Read the appeal.

Peruse the record.

Appellant is fled from the court at the time of passing the order under Ex.5 and this court has not suspended the sentence passed by the learned trial court.

It is revealed before this court that accused is habitual and having various order of punishment against him and his status is absconded in almost all the cases. Therefore, this court has denied to suspend the sentence and accused fled from the custody of this court. Therefore, this court does not seem any legal need to hear the appellant side on merit.

It is the law declared by the Hon'ble Apex court that present litigation is quasi civil, hence, as the appellant is absconded from the custody of the court, following final order is required to pass.

**Final Order**

The appeal is dismissed with costs.

The order passed by the learned trial court is confirmed.

The registry is directed to send the certify copy of this order to learned trial court for information and necessary action to proceed in the issuance of the warrant of sentence against the accused.
