01. The present application has been preferred under **Section 5** of the **Limitation Act, 1963, *inter alia***, praying condonation of delay of 86 days occurred in preferring the Civil Revision Application u/s.115 of the **Civil Procedure Code, 1908** (“Code” for short).

02. On bare perusal of Section 115 of the Code, it depicts the fact that the revision application before the District Court is not maintainable. Since the revision application u/s.115 of the Code is not maintainable before this Court, the present application is dismissed without going into the merits of the case. Hence, I pass the following order :-
