At 2.30 PM,

IO/SI Vinod has appeared.

It is submitted by the IO that investigation was completed with delay in the present case and one of the accused was initially not traceable.

This is not a sufficient ground which can justify delay in filing the present charge-sheet. FIR in the present case was registered on 13.08.2023, however, the charge-sheet was filed before this Court on 05.06.2026. In fact, the charge-sheet was forwarded by the concerned ACP on 01.12.2025 itself. Thereafter, the charge-sheet was filed before this Court after 07 months. No explanation could be provided by the IO on this delay. Also, this delay would become all the more relevant in light of the fact that the present case also involves an offence punishable u/s 308 IPC which is Sessions Triable in nature.

Therefore, let notice be issued to the DCP South West to look into the present matter and ensure that the same is not repeated in future. He is also directed to sensitize the investigating officers on the aspect of delay in filing the charge-sheet.

Be that as it may, I have perused the charge-sheet and other materials available on record.

I have also gone through the other materials including the contents of FIR, seizure memo, site plan, arrest memo, disclosure statement of the accused and statement of the witnesses etc. I hereby take cognizance of offence punishable u/s 308 & 506 r/w 34 IPC.

Issue summons to the accused kept in column no. 11 and notice to the surety for appearance through IO/SHO concerned, returnable on **06.08.2026**.

Copy of this ordersheet be sent to DCP South West, concerned ACP and SHO for information and necessary compliance.
