

Order Below Exh.1 in MACMA NO.18/2026

Earlier the M.A.C. Tribunal (AUXI) Keshod, has treated First Accident Report (F.A.R.) submitted by the concern Police Station, as the Motor Accident Claim Miscellaneous Application.

It may be noted that as per the **Modified Claims Tribunal Agreed Procedure**, in case where the I.O. files D.A.R. (Detailed Accident Report) and cause the claimant to remain present before the M.A.C. Tribunal, the M.A.C. Tribunal has treat the D.A.R. (Detailed Accident Report) as claim petition u/s.166(4) of M.V. and in case where I.O. files D.A.R. but is not able to produce claimant in tribunal, the D.A.R.is to be treated as M.A.C.M.A Here the D.A.R. has been submitted by the I.O. before this Tribunal and the same has been registered as MACMA. However, the I.O. has not kept the Claimants present before this tribunal and therefore the matter has been adjourned from time to time and notices have been issued to the propped claimants. The said notices have been served upon the prroposed claimant but neighter the applicant has remain present before this Tribunal nor any one has appeared on behalf to the applicant/s.

Under above circumstances, due to non-compliance of the **Modified Claims Tribunal Agreed Procedure**, this Tribunal is not ina position to further proceed with this matter and pass anu order to treat this M.A.C.M.A as Claim Petition. Hence this matter is disposed of accordingly.

Date:18/03/2026
Place:Keshod
