

H.P. State vs Gain Chand 982-22

30.04.2024 Present: Sh Rajeev Kumar, Advocate for complainant.
Accused with Sh Abhishek Thakur, Advocate.

Mediation report received and the same is taken on record. As per report, parties could not resolve their dispute amicably despite best possible assistance rendered by the Mediator. Considering the submissions made by both the counsels, this court is of the considered view that putting in more efforts by holding further Mediation/Conciliation proceedings would not be a fruitful exercise. As such, this court deems it fit to proceed further in accordance with law. Perusal of the case file reveals that the instant case before being fixed for holding mediation proceedings was listed for examination of Complainant witnesses (CW's). As such, case be now listed for examination of Cw's. Cw's be summoned for 23.07.2024. Steps be taken within 5 days.
