

Execution Petition Number 178 of 2025

ORDER BELOW EXHIBIT 1

(1) This petition is on board today, the Decree Holder is not present. On perusal of the record of the case it appears that this case is pending for a notice on the Judgment Debtor. Considering the records of the case it appears that, the process to the JD was issued on the address stated in the application, which came to be returned unserved with the endorsement of the bailiff that the JD not found at the stated address and local residents are not aware of that person. Thereafter at Exh. 06 the Decree Holder filed an application to get the summons for direct, which came to be allowed, and on record of the case it appears that the Notice has been kept ready, but the DH does not come to receive the notice to direct service, Hence, it clearly transpires that the decree holder does not appear to be interested to proceed further with this case. Hence, I pass the following order.
