**-:: JUDGMENT ::-**

**[1]** The applicant has filed this application under Section 483

of the B.N.S.S., seeking regular bail in connection with the offence registered at Tankara Police Station, vide C.R. No. 11189006260159/2026, for the offences under Sections 303(2), 324(5) of the Bharatiya Nyaya Sanhita and Section 136 of the Indian Electricity (Amendment) Act on 27/02/2026.

- [2] The notice was issued to the other side. The Ld. P. P. Mr. V. C. Jani, has appeared on behalf of the State, filed affidavit of Investigating Officer vide Exh. 05 and resisted the present application.
- [3] The Ld. Advocate, Mr. Baldha, appearing for the applicant/accused, has argued before the Court that, the applicant/accused was arrested in this offence on 01/03/2026 and he is in custody since then. It is further submitted that, the applicant/accused has been falsely implicated in the alleged offence though, he is innocent, he has not committed the so called offence and he does not know anything about the so called offence then also, he has been implicated in this offence, wrongly. It is further submitted that, in the alleged offence there is no punishment upto life imprisonment or death penalty. It is further submitted that the applicant is a young businessman, a permanent resident of Rajkot, and has no criminal antecedents. The applicant is a respectable person having family responsibilities. The Learned Advocate for

the applicant has, therefore, humbly prayed to release the applicant on bail.

(3.1) It is further submitted that, the applicant/accused resides with his family at the address mentioned in the application and therefore, there is no likelihood of his running away from the trial. It is further submitted that applicant/accused is released on bail, he shall abide by all the conditions imposed by the Court. It is lastly prayed by the Ld. Advocate for the applicant/accused that, considering the above facts and circumstances of the matter, the present application may be allowed and the applicant may be released on regular bail.

- [4] Learned P.P., Mr. V. C. Jani, appearing on behalf of the State, has strongly opposed the present bail application and has placed on record the affidavit of the Investigating Officer, marked at Exhibit-5. It is contended therein that the applicant-accused, along with co-accused namely Kishan Asharam Gurjar, Kailapsingh alias Jivraj Rawat, Shravan Singh and other persons, has allegedly committed theft of the muddamal property and came to be apprehended in connection with the said offence, whereas the other co-accused persons are still absconding and their complete names and addresses are not yet known. It is further contended that from the possession of the applicant-accused, a

Bolero vehicle bearing Registration No. GJ-03-BW-3157 was found, from which about 465 kilograms of stolen muddamal has been recovered. It is also submitted that Accused Nos. 02 to 04 are yet to be apprehended, and in the event the applicant is released on bail, there exists a strong likelihood of his committing similar offences and assisting the absconding accused in evading arrest. It is further contended that the release of the applicant on bail may send a wrong signal in society and there is also a possibility that the applicant may not remain present before the Court as and when required. Therefore, it is prayed that the present bail application of the applicant–accused be rejected.

- [5] Upon hearing the submissions advanced by the learned Advocates appearing for the respective parties and upon perusal of the police papers placed on record, it appears that the applicant–accused has been in judicial custody since 01/03/2026. The investigation carried out thus far indicates that the role attributed to the present applicant is a matter which requires to be duly examined during the course of trial. Considering the nature and gravity of the allegations, the fact that the offences alleged are not punishable with death or imprisonment for life, the absence of any criminal antecedents on the part of the

applicant, and keeping in view the well-settled principle of law that “bail is the rule and jail is an exception,” this Court is inclined to exercise its judicial discretion in favour of the applicant. At this stage, a detailed appreciation or evaluation of the evidence is neither warranted nor permissible. Therefore, having regard to the overall facts and circumstances of the case, this Court is of the considered opinion that the present Bail Application deserves to be allowed.
