JUDGMENT

1. The particulars as to the substance of accusation was read over and explained to the accused in vernacular. After that the accused voluntarily pleaded guilty for the offence punishable under Section 285 of BNS
2. Before acting further upon the plea of accused, the status as to the voluntariness of the statement made at the time of plead guilty is to be ascertained. For the purpose of examining voluntariness, I gave intimation to the accused that his statement is to be used against him and he be convicted on the basis of his statement. Even on cautioning the consequences, the accused remained firm on his statement. Hence, I am satisfied that his plea is voluntarily made.
3. Hence, the ingredients essential for the purpose of proving the offence defined under section 285 of BNS is hereby established. Therefore, the accused deserved to be convicted. At this juncture, I have heard the accused, his Ld. Advocate and Ld. APP for the State on the point of quantum of sentence. The accused vehemently submitted that he is very poor and his whole family is dependent upon him. He further requested for leniency at the time of punishing him. Lrd. APP has submitted that appropriate order may kindly be passed. Considering the nature of offence as well as facts and circumstances, I am inclined to pass following order:
