

:: Order Below Ex.1 in Muni.Appeal No. 01/2013::

Looking to the record of the case, it seems that advocate for appellant has given adjournment application. Moreover, looking to the record, issues were framed on 29/11/2018 and also it transpires that this Municipal Appeal is pending for evidence of appellant. Today, appellant has not remained present in the Court, when called out. Sufficient opportunities have been given to the appellant. In spite of that, the appellant has not taken care to produce evidence. Thus, it can be said that the appellant has no interest to proceed Municipal Appeal. In absence of the appellant, this Municipal Appeal is ordered to be dismissed for default.
