

ORDER BELOW EXHIBIT 1 IN R.C.S. No. 81/2023

1. Looking to the records of the case it is evident that this matter is on hearing of temperor Application and as on the last date that is on 18.08.2023 no one was appeared on the behalf of plaintiff or nor plaintiff himself hence this court had adjourned the matter in principle of natural justice that no one cause injustice technically and was fixed today as no one present today also. As far as reports are concern, the plaintiff has not remained present and no report is given to this court and the nor the plaintiff advocate is present as he was called out so many times.

2. Today, the plaintiff name had been called out various times but the plaintiff had not remained present before this Court.

3. It is the duty of the plaintiff to remain present before the court and it is also evident from the absence of the plaintiff that he is not interested to proceed with the matter and this matter is only lying in the Court and adding on to the burden of the Court. Also parties want everything to be done in the interest of justice, but seriously they remain absent from the court which really poses a question that whether it is 'interest of justice' or 'in the interest of Justice'. What is the interest of justice? The answer is to give justice, but when the party who

is there and has filed the matter is not interested with the matter by remaining absent, the bracket of interest of justice turns into grave injustice to justice and justice delivery system. It seems that the plaintiff has no interest with the suit, thus this court pass the following order.

ORDER

- This present suit is hereby dismissed for default by the plaintiff and hence stands disposed off.
