None for the opponents.**

- 1) The present case is pending at the stage of opponent's evidence. The Ld. Advocate for the claimant has moved this application for closing the opportunity of the Insurance Company to lead evidence. It has been averred in the application that present case has been pending at the stage of opponent's evidence since long but none of the opponents has appeared and produced any evidence and the Ld. Advocate for the opponent No.3 Insurance Company has not been appearing since long. Therefore, the delay has been caused in the present case and considering that the opportunity of the opponent to lead any evidence may be closed and claimant be permitted to file the written arguments.
- 2) I have heard the Ld. Advocate for the claimants and perused the record. The perusal of the record shows that the case has come on the stage of opponent's evidence on 11.02.2025 and since then the opponent No.3 Go-Digit General Insurance Co. Ltd. has not led any evidence. Advocate for the claimant has moved this application. In the Motor Accident Claim Petition, it is the duty of the Tribunal to decide the claims expeditiously. Further the perusal of the record shows that the Ld. Advocate for the Insurance Company and the other respondents have not been appearing and even they have not filed any

application for the adjournment. Even today, none of the opponents has appeared therefore the present application is allowed.
