Petitioner Counsel**

My full name is Mahantesh Devappa Narwade and staying at Flat No. B-304, Liliun Grdenia, 2nd Cross, BDS Layout, Bengaluru-560077. I am aware of this petition. At that time of filing of this petition, I was president of Association. My responsibilities are stated in bye laws and not sure of the IA No.5 filed in OS No.8290/2023. Counsel for petitioner has read over the order passed by this court on IA No.5, then by listening the same witness deposed that he can recall the order passed on IA No.5. At the time of passing of the order on individual capacity number of whatsapp messages are exchanged. Nesari Management Services are appointed by the Management Committee of Apartment.

Question: Are you aware of the contents of whatsapp message marked as Ex.P.6 ?

Answer : Possibly yes.

Sri.Harsh was the Vice president of Management Committee. It is not true that Ex.P.6 whatsapp messages are sent by vice president Sri.Harsh. I am not aware that

another message in Ex.P.6 was sent by our Vice President Sri.Harsh.

Question: Don't you think it is strange that, as a president you are not aware of the messages sent by your own vice president Sri.Harsh ?

Answer : There are Multiple groups, we handle one Official group.

Question: Have you not bothered to check, what are the kind of messages being sent by your own vice president to the residents ?

Answer : We are not fully tracking the multiple groups whatsapp chatting .

It is true that the residents also sent some of the Emails regarding the disconnection of service. It is true that according to me there is no disconnection of services. There was a event on March 2025 the residents have lodged a complaint, before police regarding disconnection, but i am not a part of committee then. I can conform and say that during my period as I am holding as president there is no disconnection of services. As per the basic services are concern, as per the byelaws we have provided the services and not dis connected.

Further cross Examination : Deferred on request.
