Certified copy of the partition deed dated 20.10.1972 (subject to proof) (At this juncture advocate for the petitioner contended that the original of the partition deed is in possession of the respondent. The learned counsel appearing for the respondent sought the permission of the court in order to mark affidavit dated 12.03.2010 which was obtained under the RTI. Advocate for petitioner objected for marking of the document by saying that the document itself is incomplete and further the documents obtained by the RTI cannot be marked.

On perusal of the entire document it is clear that the document dated 12.03.2010 seems to be incomplete because the petitioner who is the author of the document himself contends that it is incomplete. On perusal of the documents it is clear that it is the mistake committed by the issuing authority and further all the pages of the documents are annexed. Therefore, that document was marked as **Ex.R.99** subject to proof.
