

**IN THE COURT OF II ADDL SMALL CAUSES**  
**JUDGE & ACJM, BENGALURU, (SCCH-13)**

**Witness present and duly sworn on 20.11.2024**

Name : Vedavathi N.  
Husband's name : Kumar  
Age : 36 years  
Occupation : MRO, Manipal hospital  
Residence : Bengaluru

**Chief examination by the advocate for respondent no.2:**

CMO of our hospital has received the summons from this court to depose the evidence and for production of documents. As per direction of this court, Medical Director of our hospital has authorized me to depose evidence as well as production of documents before this court accordingly I am producing the documents pertaining to the petitioner available in our hospital.

The documents that are produced before the court are marked as Exhibits as follows:-

- Ex. R1 : Copy of ID card of Rw-1(after comparing the original found correct)
- Ex.R2 : Authorization letter
- Ex.R3 : Inpatient case sheet
- Ex. R4 : Out patient record

We have not registered any MLC in this case.

**Cross examination by advocate for petitioner:-**

My qualification is Diploma in MRD. I am aware that in medical cases the MLC shall be maintained and registered in every hospitals. Witness voluntary states that if patient takes primary treatment in other hospital

then MLC was registered by them. I do not know as per rule MLC should be registered in all hospitals.

2. I do not know whether the petitioner sustained injuries in a RTA. As per Ex.R-4 it is mentioned that the petitioner sustained injuries in a RTA. I do not know it is a fault of our hospital for not having registered the MLC. I do not have personal knowledge with regard to treatment taken by the petitioner and underwent surgery.

**Re-examination: Nil.**

**(Computerised to my dictation in the open court)**

**R.O.I. & A.C.**

**II Addl. Judge.**
