**EXAMINATION IN CHIEF BY ADVOCATE FOR**  
**PETITIONER :**

Today, I have filed chief examination affidavit in lieu of oral evidence. I know the contents of affidavit sworn by me which are true and correct and it bears my signature.

I have produced the following documents,

Ex-P13 : T/C of MLC extract

EX-P13(A): Signature of witness

Ex-P14 : T/C of Police Intimation

Ex-P15 : T/C of Wound certificate

EX-P16 : Case sheet

**R2 has exparte. Hence, cross examination is taken as nil.**

**Cross examination by advocate for Respondent**  
**No.1:**

I am working as Junior resident at above said hospital. I am not a surgeon. It is true to suggest that separate department is there in our hospital to look after the records. I am not doing the work of medical record officer. I have not been authorized by the hospital to produce the documents,

but I am producing the same as I received the summons.

I do not know the present condition of petitioner. I have stated about the disability aspect. The history of accident is stated by the son of the petitioner who came to the hospital. It is true to suggest that the number of the vehicle has not been mentioned in Ex.P13. I do not know the whether the petitioner has taken treatment at other hospital before came to our hospital. I do not know the treatment undertaken by petitioner. It is false to suggest that in order to help the petitioner I have furnished the created documents and deposing falsely.
