Witness present and duly sworn on 25.03.2025
Cross examination by Advocate for Petitioner.

The scooter in which I was proceeding belongs to me. I had DL. I have not produced the same before this court. I do not have DL thereby I have not produced the same before this court. The width of the alleged road was about 30ft. I have not seen the offending car before the accident because it came with high speed. It is true to suggest that as per Ex.P-12 the accident took place in the middle of the road. Witness voluntary states that the road was very small and I was going left side of the road and he came wrong side and dashed against my vehicle. It is false to suggest that the accident occurred head on collusion.

2. It is true to suggest that the alleged incident road was a straight road. It is true to suggest that the offending car was coming from my opposite. There was no vehicles were coming either side of the offending vehicle. It is false to suggest that the accident occurred due to my negligence.

3. I lodged the complaint after one day of the accident. It is true to suggest that the accident occurred on 19.11.2022 and the FIR was registered on 07.12.2022. Witness states that the police came to hospital and they have recorded my statement on 20.11.2022 in the morning however, the offending car did not trace out, thereby the police have kept pending to register FIR. It is false to suggest that the police had not recorded my statement on 07.12.2022. Witness states that Ex.P-2 was taken by the police at the time of registering the FIR. I can't produce

the statement dtd: 20.11.2022 which was recorded by the police because I went 4-5times to the police station, however, they have not given the said copy of the statement to me.

4. It is true to suggest that the FIR was registered against unknown vehicle. Witness states that we have traced out the offending vehicle on 14th January 2023. It is true to suggest that the scooter sustained damages on the front side. It is true to suggest that as per Ex.P-5 IMV report the offending car did not sustain any damages. Witness states that at the time of inspection, the said offending car was repaired. It is false to suggest that the offending car was not involved in the accident, I falsely implicated the offending car in this case.

5. Initially I went to Unity Life line hospital. It is true to suggest that I have not produced discharge summary of Unity Life Line hospital. It is false to suggest that I have not undergone surgery in Unity Life Line hospital. It is false to suggest that after discharge from Unity life line hospital I have not admitted in any hospital. Witness states that after 1 ½ month of discharge I admitted in People tree hospital, Yeshwanthpura for plastic surgery. My injuries are not completely healed.

6. It is true to suggest that the inpatient medical bills were reimbursed by the health insurance. Out patient medical bills were not reimbursed. It is true to suggest that the original discharge summary is with the health insurance company. It is

true to suggest that I can reimburse the future medical bills from the health insurance company.

7.   Presently, I am unable to do my job because I being a basked ball coach, I can't stand for long time, jump and run. It is false to suggest that I have not produced any documents to substantiate my avocation. It is false to suggest that before accident I was not doing any job thereby I have not produced any documents to substantiate my avocation. I am not an income tax assess e because I was doing part time job. It is false to suggest that I was not doing any job and not earning Rs.60,000/- per month.

8. It is false to suggest that I am not suffering any difficulties which I stated in my chief affidavit. It is false to suggest that I am a hale and healthy as earlier. It is false to suggest that in order to get compensation from this court, I have got created the document and falsely implicated the offending car in this case.

Re-examination: Nil.

(Computerised to my dictation in the Open Court).
