**Cross examination by Sri.KP advocate for Respondent:-
(As the Pw1 do not know Kannada and English, her evidence given in Telugu and the same is translated by Sri.RBR advocate)**

I have not seen the accident. I got information about the accident through 2nd Respondent. My son was working under Surendra. He went for pipeline work. I saw dead body of my son at spot. Thereafter we brought him to Penukonda Govt hospital. My son was doing work by bending, during that time the bucket of JCB hit him. JCB came for same construction work. It is true to suggest that the owner of JCB had paid Rs.50,000/- as a compensation.

2. It is false to suggest that I deposed falsehood in para-2 & 3 of my chief affidavit. It is false to suggest that we have not spent Rs.80,000/- towards transportaion of dead body and funeral expenses. It is true to suggest that I have not produced any docuemtns to substantiate avocation and income of my son.

3. I have 5 children. All are sons. Deceased was 2nd son. My 1st son got married and he is residing in separate house. My husband is also doing pipeline work. My husband had lodged the complaint. My husband was also doing work along with my son however, at the time of accident, he went to drink water. It is false to suggest that in order to get compensation, I have got created documents and am deposing falsehood before this court by filing this false affidavit.

Cross examination is deferred by Respondent no.2.
