

Witness present and duly sworn on 10.12.2024
Cross examination by Sri.,SNR Advocate for Respondent no.1:-

It is true to suggest that I have assessed the disability of the petitioner after three years of the accident. I have not treated the petitioner. Implants were removed since the fractures are united. I have not seen the follow up records, old x-rays and case sheet. It is true to suggest that the petitioner is not under any medication. There is no any complications. It is false to suggest that there is no loss in the range of movements and power. It is true to suggest that the petitioner has not sustained any fracture in the joints.

2. I do not know the avocation of the petitioner. It is false to suggest that the petitioner is not facing any difficulties which I stated as implants were removed since the fractures are united. It is false to suggest that petitioner is not suffering any disability yet I am deposing falsehood before this court as petitioner is suffering from disability.

Re-examination: Nil.
