

**Witness present and duly sworn on 29.01.2026**  
**Cross examination by Sri.GSM Advocate for**  
**Respondent no2:-**

It is false to suggest that accident occurred due to my negligence and not on the part of driver of offending car. It is false to suggest that I was not wearing helmet at the time of accident. I will produce RC and policy of motorcycle on which I was proceeding at the time of accident. I have not claimed any P.A. coverage from our insurer. I will produce documents to substantiate to that effect.

2. I reimbursed medical bills of Rs.1,25,000/- from New India health insurance and I paid amount of Rs.19,000/- from my pocket. It is false to suggest that I reimbursed entire medical bills from New India Health insurance, however, in order to get more compensation from this court, I have got created medical bills and have produced the same before this court. I will produce documents to substantiate that I reimbursed medical bills only of Rs.1,25,000/-.

3. It is false to suggest that I did not sustain any injuries from the accident, however in active collusion with hospital authority, I have got created the entire medical records for this case. It is false to suggest that I did not suffer any disability from the accidental injuries. It is false to suggest that I did not receive any inpatient treatment from the accidental injuries.

4. It is false to suggest that I falsely stated regarding my avocation and income of Rs.30,000/- per month. It is false to suggest that I falsely stated as I incurred Rs.2,00,000/-towards medical expenses. I will examine employer and treated doctors as a witnesses before this court. It is false to suggest that in order to get compensation, I have got created the documents and filed this petition after 6 months of alleged incident.

**Re-examination: Nil.**

**(Computerised to my dictation in the Open Court).**
