

Complainant absent. The counsel for complainant prays for issue NBW against accused by hand afresh.

Inspite of issuance process repeatedly, the complainant not assisted in execution of process to accused.

Further, though the complainant received the process issued by hand, same has not been returned inspite of sufficient time.

The said aspect indicates that the complainant might not be interested in effecting execution of process to the accused and to prosecute the this case.

There exist no valid grounds for again issuing the process.

Hence, prayer of counsel for complainant is rejected as no grounds made out.

Hence, complaint is dismissed for default.
