Matter called repeated at 2.45 P.m.
3.20 P.M. 4.20 p.m. 5.05 p.m. and
lastly at 5.35 p.m. despite which
Complainant absent no representation,
a perusal of order sheet reveals that

there is no progress in the case till date and Complainant has not shown enthusiasm in appearing before court after filing Complaint, wherein repeated adjournments were given in absence of Complainant and even there is no representation by Learned Counsel, hence at this juncture, having due regards to the facts and circumstances of case, it is humbly opined that there is no point in giving further adjournments in absentia of Complainant and even then there no representation by Learned Counsel, having due regards to facts, circumstances and year of case, as the Complainant has not offered to proceed with hearing on sworn statement till date case is dismissed for non-prosecution.

Accordingly matter stands disposed thereof.
