

Witness present and duly sworn on 06.02.2026.

Cross examination by Ms.MSS advocate for the defendant:-

3. I am one of partner of plaintiff firm. There are four partners in plaintiff firm. All partners not impelled as

partners in this suit. Witness volunteers, since I am working partner of plaintiff I am representing it in this suit. I have produced authorization documents show that I am empowered to file this suit on behalf of plaintiff. On going through documents, witness states no such documents are marked in this case. I have not produced any authorization letter issued by other three partners to authorize me to act on their behalf.

4. We are dealing with surgical instruments. We are having business relationship with defendant No.1 since long time. I do not remember whether we have entered into any agreement with defendant No.1. I do not remember whether we have entered into any supply agreement with defendant No.1 recently. Witness volunteers, I cannot say whether such agreement has been executed between us during previous occasion. It is false to suggest that I am intentionally withholding certain documents related to this matter.

5. Witness is confronted with copy of a Supply Agreement dated 19.07.2012, which is enclosed to IA No.1, he admits that said agreement bears his signature on behalf of plaintiff. The said document is produced with Sec.63 of BSA certificate. However, counsel for plaintiff objects marking of said document. Further, said

document is neither stamped nor registered. Hence, said document is not marked.

(At this stage, further cross examination of witness is deferred as per request of counsel for defendant)
