

Again called out at 5.00 P.M. No representation. On perusal of entire order sheet it appears that already sufficient time has been granted to the plaintiff. In spite of it neither plaintiff appeared nor his counsel for taking steps. This suit is filed in the year 2017, the plaintiffs have not taken proper steps against defendants. Though he has filed I.A.No.II seeking permission to implead proposed defendant No.3 on 22.10.2019, for issuing of notice on I.A.No.II also he has not taken proper steps. It discloses that the plaintiff is not interested to proceed with the matter. This suit is pending from 2017 for non taking of proper steps against the defendants. Hence suit is dismissed for non prosecution.
