O.S.No.641/2020

The defendant is intending to produce one Agreement of Sale dated 28.08.2007 in evidence and he is intending to rely on the said document. The defendant has produced the said Agreement of Sale dated 28.08.2007, but the said Agreement is executed on stamp paper of Rs.50/- only i.e., Rs.50/- has been paid towards the stamp duty for the said document. Hence, it appears that the stamp duty paid on the document is insufficient.

Hence, this Court deems it fit to call for a report from District Registrar, Belagavi requesting information from him regarding the stamp duty prevalent on the said date for an Agreement of Sale.

Office is directed to write letter to District Registrar, Belagavi requesting him to submit report regarding the stamp duty prevalent as on 28.08.2007 in respect of Agreement of Sale.

Await report, by 17.12.2025.
