FDP No.19/2017

In this case, both parties have advanced their arguments on maintainability of the petition. The respondents have stated that the petitioners cannot claim share in the Serial No.1 to No.3 properties. This court in O.S.No.762/1989 decreed the suit of the plaintiffs and awarded share to the plaintiffs. The First Appellate Court has modified the decree and awarded the shares to the defendants also. The petitioners have produced only decrees of both courts. To decide the maintainability, the Judgment of this court in O.S. No.762/1989 and the Judgment of First Appellate Court in R.A.No.195/1993 are necessary. Hence, the petitioner is directed to produce the certified copies of the said Judgments within 15 days of this order.
