

R.A. 11/2026

Perused the office note. It is to the effect that PF and postal covers were furnished on 26.02.2026. However this court by order dated 07.02.2026, at the instance and at the request of advocate for appellant, has ordered to issue notice to respondents through process of court as well as speed post, subject to condition that PF is to be paid and postal covers along with sufficient postal stamps are to be furnished within 4 days, failing which, appeal stands dismissed without any formal order to that effect.

The said order is not at all complied by appellant. Hence, appeal stands dismissed.
