CHIEF EXAMINATION BY :- LEARNED P.P.

Since 01.05.2022, I have been working as Senior scientific officer in RFSL, Ballari in toxicology section.

On 05.04.2023, I have received 4 sealed articles from CW-35. The seal found to be intact and tallied sample seal of FMT. I.O as marked those articles as Article No.16 to 19. The description articles are as follows.

- 1.Stomach and its contents and portion of small intestine.
- 2.Portion of liver and kidney.
- 3.Blood.
- 4.Preservative used: Sodium cholride.

I have conducted chemical examination of those articles. Colour tests and Head space gas Chromatographic methods of analysis have responded for the presence of Ethyl alcohol in article No.16, 17 and 18; negative in article No.19.

Blood alcohol concentration =25.129/100ml.

No other poisons were detected all the above said articles. I have given my report to I.O as per Ex.P-46. Since digital signature of witness is found on Ex.P-46, the same is not marked.

I have sent my report along with Ex.P-47 sample seal. The signature of the witness as Ex.P-47(a).

The learned counsel for accused prays time for cross examination of witness. Prayer rejected. Cross examination of the witness by the accused is taken as nil.
