Record put up today before me. Perused the case record. From perusal it appears that the complainant has been examined on solemn affidavit and no enquiry witnesses has been produced before this court.

From plain reading of the complainant solemn affidavit, it does not disclose about any prima facie case made out against the persons named in the complaint petition. The complaint is absent since 13.04.2021 and no proper pairvi has been made by the complainant nor any enquiry witness has been produced before this Court.

In such circumstances it is not justify to give further opportunity to the complainant. However, sufficient opportunity has been given. Hence, in the interest of justice and speedy disposal of the case it would not be justifiable to continue with the proceedings of this cse, hence the complaint petition is hereby dismissed by virtue of Section 203 of Cr.P.C.

Office Clerk is hereby directed to deposit the same in the record room.
