Heard counsel for plaintiff and defendants on I.A. filed by plaintiff at I.A. No.9 seeking for amendment of plaint prayer. The plaintiff intends to delete the prayer of injunction sought against defendant No.3 from releasing compensation. He intends to add the prayer of directing the office to release compensation in his favour. Keeping open the aspect of entitlement of compensation the proposed amendment is allowed as it is in the nature of continuation of pleading based on subsequent events. Hence reserving liberty to the defendants to file additional Written Statement, I.A. is allowed and plaintiff is permitted to amend the plaint as sought in I.A.
