Sakamma W/o Narasappa died on 03.06.1924 at Kallukote village, Tubagere Hobli, Doddaballapur Taluk, Bengaluru Rural District owing to his illness. Due to family members illiteracy, inadvertence and by oversight the date of death of petitioner's mother in law was not registered with the concerned authorities. issued non availability certificate. The petitioner requires the death certificate for legal necessities. Hence, the petition.

3. Despite service of summons the respondent remained absent.

5. Heard and perused the materials available on record.

6. The following points arise for consideration:

1. Whether the petitioner is entitled for the relief sought for?

2. What order?

7. The above points are answered as under;

Point No.1: **In the Affirmative**

Point No.2: As per the final order
for the following;

REASONS

8. **Point No.1:** The petitioner filed this petition seeking a direction to the respondent for issuance of death certificate petitioner's mother in law. It is the case of the petitioner that, the petitioner's mother in law Smt. Sakamma W/o Narasappa died on 03.06.1924. The family members had no awareness about informing the death of petitioner's mother in law and not registered the death at the office of the respondent. It is stated that the death certificate is required for the legal purposes. The petitioner had applied for issuance of death certificate at office of respondent and the respondent issued non availability certificate.

9. In order to establish the case, the petitioner examined as PW.1 and got marked Ex.P.1 to Ex.P.4. In the affidavit the P.W-1 reiterated the contents of petition and as such it does not require repetition. Ex.P.1 is the non availability certificate, Ex.P.2 is the Affidavit of family tree, Ex.P.3 is the copy of Aadhar card of PW.1 and

Ex.P.4 is the paper publication of Hosadigantha in Kannada News paper

10. On perusal of the materials, Ex.P.1 is the non availability certificate issued by the respondent, wherein the respondent has certified that there is no death certificate concerning the person Late Smt. Sakamma W/o Narasappa. At Ex.P.1 date of death of said Smt. Sakamma W/o Narasappa is stated as 03.06.1924 and the place of death as at Kallukote village, Tubagere Hobli, Doddaballapur Taluk, Bengaluru Rural District. The petitioner produced affidavit of genealogy of the family at Ex.P.2 wherein the details of legal heirs of deceased is stated.

11. Further, in this petition even after service of notice the respondent remained absent. The petitioner issued public Notice and the copy of the paper is produced at Ex.P.4. Despite, public notice there is no any objection from anyone regarding the date of death of the deceased. The oral and documentary evidence of the petitioner remained unchallenged. At this juncture there are no any other contradictory materials to disbelieve the case of the petitioner.

12. Further, the petitioner states that, the death certificate is required for the purpose of legal necessities. On considering the date of death of the deceased person, it appears that the petitioners family members due to lack of awareness failed to register the date of death of the deceased in the concerned office. The reasons stated by the petitioner for seeking death certificate of the deceased is satisfactory. If the relief sought in this petition is not considered the petitioner is subjected to more hardship as death certificate is a legal document. The petitioner made out grounds to allow the petition. Hence, the point is answered in **Affirmative**.

13. **Point No.2:** In view of the above discussion, this court proceeds to pass the following:

ORDER

The petition filed by the petitioner U/s 13(3) of Registration of Birth and Death Act, 1969 is hereby allowed.
