

Case called out. Counsel for DHR is present and submitted that petition may be dismissed. On perusal of order sheet since, 02.09.2021 matter repeatedly adjourned for taking further steps against JDR. Even after sufficient opportunities DHR is not ready to proceed with the case. No good grounds made out to adjourn matter further. Hence I proceed to pass following.

ORDER

Execution petition filed by DHR is hereby dismissed for default. DHR at liberty to file fresh execution petition if law of limitation permits to do so.
