

**ORDERS ON I.A. DTD:03-09-2025 FILED BY THE
PLAINTIFF U/O.VI RULE 17 R/W.Sec.151 OF CPC**

This application is filed by the plaintiff by seeking permission of this Court to amend the plaint as prayed in the application.

2. It is stated in the affidavit that he has filed this suit for the relief of declaration and permanent injunction against the defendants. At the time of filing of the suit, the dates of different sale deeds were wrongly been mentioned in the plaint. Recently he traced out the said mistake. Some properties have not been added in this suit. Those properties have been purchased by his father. Hence, now through this application he wants to incorporate the details of those properties in the schedule of the plaint and he also wanted to incorporate the details of dates of sale deeds at prayer column also. According to him, the proposed amendment is very much necessary to prove his case and it will not change the cause of action. If the application is not allowed, he will be caused much

hardship in this case. Hence prays to allow the application.

3. In spite of providing sufficient opportunities, the defendants have not filed objections to this application.

4 I have heard both sides on this I.A. and carefully gone through details of I.A. and case papers.

-.REASONS:-

5. **Point No.1:-** On meticulous verification of the contents of the proposed amendment, it is come to know that the plaintiff has contended that he wants to incorporate the details of dates of sale deeds by explaining that on which date suit item has been purchased. He has contended that at Page No.1, Paragraph 2 of the plaint, from 4th line, the earlier details of dates of sale deeds have to be deleted and in that place the proposed amendment has to be incorporated. On meticulous verification of the plaint, it is come to know that, in the original plaint at Page No.1, there is no paragraph number called as Para No.2. Such being the case, finding of 4th line in Para No.2 does not arise. The plaintiff has not properly given the details with regard to proposed amendment, in the original plaint on which place the same has to be amended. Hence, the present application is devoid of merits. Accordingly, with liberty

to file another application, this I.A. deserves to be rejected. Hence, I proceed to pass the following:
