

ORDERS ON BAIL APPLICATION

The bail application under Section 480 of BNSS., has been filed on behalf of the accused seeking his release on bail in the above case for the alleged offences P/U/S 305(a) and 331(3) of BNS.

2. It is contended that the accused is innocent of the alleged offence and he has not committed any offences. It is further contended that he has deep roots in the society and offers surety for his release and there is no chance to absconding. Accused further undertakes to appear before the Court whenever directed to do so and undertakes to abide by all the terms and conditions to be imposed by this Court.

3. On the other hand learned A.P.P has filed her objections wherein it is stated that the accused has committed non bailable offence, and the same is prima-facie made out. If the accused is enlarged on bail, he may absconded and repeat similar offence, besides threatening the prosecution witnesses and tampering with the prosecution material, thereby hampering trial of this case. Hence, on these grounds, the learned A.P.P has prayed for rejection of the bail application.

4. Heard the learned counsel for accused as well as learned A.P.P. Perused the bail application, objections of learned A.P.P and materials available on record.

5. The following points arise for my consideration:

1. Whether accused is entitled for bail?

2.What order?

6. My answers to the above points, are as hereunder:

Point No.1: In the affirmative.

Point No.2: As per final Order, for the following:

REASONS

7. Point No.1: Materials available on record at this stage would disclose that the offence alleged against the accused is punishable U/Sec.305(a) and 331(3) of BNS and the accused is in JC from 18.03.2026. Though the alleged offences are non-bailable in nature, but the said offences are not punishable either with death or imprisonment for life and also the offences are triable by this Court only. The accused has further undertook to abide by the conditions imposed by this Court. Further, charge sheet has already been submitted against the accused. Thus, having regard to the nature and gravity of the offences alleged against the accused as well as keeping in view the apprehension of the prosecution, this Court is of consideration to release the accused as the apprehension of the prosecution could be safeguarded by imposing stringent conditions on the accused and that the further custody of accused in JC is not necessary. Hence, Point No.1 is answered in the **Affirmative.**

8. Point No.2: In view of the discussion made under Point No.1, this Court proceed to pass the following:
