

Spl. CS No. 426 of 2020

Order below Exhibit 1

Perused roznama and Record. The suit has been proceeded *exparte*. But no evidence is adduced. Order dated 05.02.2026 is sufficiently clear to show default on part of plaintiff. According to it, the suit has been kept for dismissal. Yet no steps are taken thereafter. The suit is almost 06 years old. It deserves to be proceeded on priority. But, today also no steps are taken. The plaintiff and Advocate are absent despite repeated calls throughout the day. Hence, the suit stands dismissed for want of prosecution and for want of steps.
