Case No. :R.A.55/2022

Smt Ammaiahmma Vs R-1 Smt Parvthamma

Date : 07-11-2023

Business : Case is called out again at 3.15 p.m. No steps are taken since long. Perused the order sheet. The appeal against R2 is abated long back and no efforts are made to take steps against the LRs of R2. There is huge delay of 1226 days in preferring the appeal. No evidence is lead on application inspite of giving sufficient time. It appears the appellant is not interested in proceeding with the case. Hence, the appeal is dismissed for default.
