Cross examination for Opponent no. 1

Exparte

**Cross examination by Advocate Shri Uday Shroff
for the Insurance Company:-**

11. It is correct that I have not treated the Applicant. It is correct that Applicant had approached me for assessment purpose only. I do not maintain record in respect of disability certificates issued by me. I do not maintain clinical notes in respect of examination of patients by me. I have not obtained any fresh x-ray of the Applicant before issuing disability certificate. The witness submits that screening was done. I have not given screening report to the Applicant patient. I have not taken any specific test in respect of disability

/ 4 /

mentioned in my certificate. I have not taken driving test of the Applicant. It is correct that I have not mentioned formula for assessment of disability. It is correct that I have not bifurcated the disability. I cannot bifurcate now. Fracture of right clavicle consolidated clinically and radiologically means fracture had united. It is not correct that items mentioned under caption at present on examination clinically and radiologically in my disability certificate are mere complaints of the patients and does not amount to disability. It is not correct that the patient has not suffered any disability. It is correct that disability assessed by me is for an injured part of the body and not for whole body. It is not correct that just to help the Applicant, I have issued this disability certificate. It is not correct that I have deposed false.

Cross-examination is over.

No re-examination.
