ORDER (Below Exhibit 195)

(Delivered on this the 8th day, of the month of February, of the year 2019.)

Heard advocates for the plaintiffs and defendants. Perused the records and considered the say endorsed by Ld. Adv for the defendants. This is an application filed by the plaintiffs seeking leave of the court to produce secondary evidence under Section 65-B of Indian Evidence Act. It is to be noted that the plaintiff has not mentioned the certificate which he wants to produce nor any date of the certificate is mentioned. Secondly the contention of the plaintiffs is that he has lost the said certificate and therefore desires to produce the secondary evidence of the same. The present application of the plaintiff is not supported with any affidavit to substantiate the fact that the plaintiff has lost the said certificate. Hence the present application cannot be granted as the plaintiff has failed to satisfy the court and therefore the application is dismissed, but in the interested of justice the leave is granted to the plaintiff to take necessary steps.

Pronounced in the Open Court.
