Heard.

The plaintiff has filed this suit for partition and for separate possession. There was a delay of about 4 months to file the written statement. The non filing of w/s well within time is sufficiently explained in the application. the delay caused to the plaintiff may be met by imposing cost. So the cost of Rs.400/- is imposed to defendant. Hence the application filed by the defendant is hereby allowed. In the result the w/s is taken on file.

Cost paid. For issues by 05.02.2016.
