

Again case called at 4.25 PM.
Petitioner and Respondent
are called out absent.

No-representation for the
both the side.

Perused the order sheet and
records.

The petitioner has filed the
petition before the court
07.10.2022.

Since, then the petitioner
continuously remained absent.

There are more than 10
dates, of hearing running
around for 9 months for
Evidence. But the petitioner
continuously remained absent and
there is absolutely no-
representation.

This shows that the petitioner
has no interest in prosecuting
this case. Under

this circumstance this court
has no option but to dismiss the
petition for non-prosecution.

Hence, I proceed to pass the
following:

ORDER

Petition is dismissed for
non-prosecution.

C/c of XV ACMM, B'luru.
