HC Amandeep Singh appeared in court alongwith record and made statement that no FIR has been registered against applicant Ram Pal in this case till date but on the application moved by Pooja Devi against the applicant and others inquiry is still pending and in case he is required in this case we will take appropriate action against him as per law. Since, no FIR has been registered against applicant till date and inquiry of the said application is pending against him, therefore, anticipatory bail application moved by applicant-accused is not maintainable. As such, the bail application has become infructuous and the same is hereby dismissed. However, if the applicant is required to be arrested by the concerned police after registering of case against him, then at least three days prior notice shall be given to him. It is also made clear that this order will not debar the concerned police to conduct inquiry in complaint stated to be pending against the applicant. Hence, the bail application stands disposed off accordingly. Bail papers be consigned to Record Room.
