

Witness duly sworn on 03.02.2026

Cross Examination by Smt. S.P.K for Sri. K.K.K Advocate for defendant:

I was not acquainted with the plaintiff, prior to filing of the suit. I am a friend of the defendant from past about 7 years. I am not aware as to what business the plaintiff is engaged in. I am not aware about the contents of the alleged agreements attested by me.

I am not aware as to how many agreements I have signed as attester. The defendant had got drafted all the alleged agreements. I am not aware about the amounts transacted in the alleged agreements. I am not aware about the interest percentage transacted in the alleged agreements.

It is false to suggest that I am leading false evidence to support the plaintiff.

Re-examination: Nil.

(Typed to my dictation in the open court.)
