

Witness present and duly sworn on : 06-01-2026.

Cross Examination by Sri. SPK for R2 :-

I did not have any personal knowledge about the accident. I did not get any request letter or any intimation from insurance company for survey. It is false to suggest that Ex.P9 was prepared to help the petitioner. Witness states that it was prepared at his request. I have seen the car in Mandovi motors. Mandovi motors have prepared estimation after I visited them. I have prepared at by looking at the vehicles, photographs and estimation. The vehicle is of 2006 model. I do not know how many times the vehicle was subjected to accident. I do not know that which spareparts are replaced before accident. I have stated which spareparts are repaired and which are totally replaced. Roof panel and flow panel were repaired. I did not mention in my report. Replaced parts are shown in photographs. As on 2023 the value of vehicle was around 2 lakhs. I have seen only the RC related to the vehicle. It is false to suggest that the vehicle did not suffer any accident. It is false to suggest that damages suffered in some other incidents were misused to give a false report. I have not seen the police documents and I do not know when and how the accident occurred. It is false to suggest that only to help the petitioner to get more compensation I have created the survey report.

Reexamination: NIL.

(Computerized as per my dictation in open court)
