

Witness present and duly sworn on : 06-01-2026.

Cross Examination by Sri. SPK for R2 :-

I was in Mandovi Motors, Puttur from 2011 to 2025. Ex.P2 and 8 were prepared by the billing section. Ex.P8 was prepared by Gururaj as per my instruction. It is true to suggest that the name of Gururaj is not found in Ex.P8. The estimation was prepared soon after the vehicle was received at the garrage and it was shown to the surveyor. The vehicle came to our garrage on the background of accident. In this case no criminal case was registered so we have not verified. I have seen the documents relating to vehicle like RC, Insurance, DL. But same is not shown in my estimate. The insurance had first party coverage. I do not know how many times the vehicle met with an accident. I do not know the model of the vehicle. It is true to suggest that with age there will be wear and tear of spare parts and they need to be changed. It is true to suggest that similarly spare parts are changed in this vehicle. Only those sparepartes which are replaced are shown in the bill. Only damged spare parts were replaced. It is false to suggest that all the spare parts of car are shown in the estimate. It is false to suggest that only to help petitioner I have created a false estimation. It is false to suggest that the vehicle was not repaired in our showroom. It is false to suggest that the petitioner has not made payment. I do not know the mode of payment. It is false to

suggest that the damages shown in Ex.P8 is not related to accident. It is false to suggest that I have created false documents and falsely deposing before the court.

Reexamination: NIL.
