Chief Examination by way of affidavit :

Today I have filed an affidavit in lieu of examination-in-chief, the contents thereof are true and correct and signatures therein are mine.

Cross Examination by Sri. USN for R2:-

I am the third petitioner in this case. Petitioner No.1 is my mother and Petitioner No.2 is my brother. My brother deceased Shivanand was riding the bike. I was a pillion rider. The accident occurred at Kalleri on the Kakkepadavu-Uppinangady road. We were going from Uppinangady towards Kukkepadavu. The offending YEZ DI bike was coming from Kakkepadavu. We were on the extreme left side of the road. The offending rider came to the extreme right side and hit us. It is false to suggest that the accident occurred due to negligence of my deceased brother and there was no negligence of offending bike. My brother had DL. The bike belonged to Shashikumar. It is true to suggest that my brother Shivanand had purchased bike from Shashikumar 2 years before the accident, but I do not know if Shivananda had DL at the time of accident. It is true to suggest that the bike did not have insurance. It is true to suggest that the offending bike rider also did not have DL. I have given evidence in the criminal case. I do not know the status of the case. It is false to suggest that Shivananda did

not know how to ride a bike and therefore his negligence caused accident. It is true to suggest that riding the bike without RC, insurance and DL is wrong. It is false to suggest that I am falsely deposing before the court only to support my case.
