Present: Ld. Counsel for plaintiff/applicant.

File taken up today on an application IA No. 3/26 for early hearing.

Application is disposed off. Matter is taken up for hearing.

Plaintiff has filed legible copies of documents stated to be in compliance of order dated 28.02.2026. They are taken on record.

Plaintiff has been examined to test his claim of indigency. In my humble opinion, plaintiff appears to be hiding the true extent of his capacity to earn and was not clearly disclosing his expenses etc. which persuades me to believe that despite having capacity to pay court fees, he has prayed for suing as a pauper.

Thus, his application IA No. 2/26 seeking permission to sue as an indigent is dismissed.

At this stage Counsel for plaintiff seeks 10 days time to pay Court fees. On payment of deficient court fees, issues summons of the suit alongwith any pending application to the defendant through all permissible modes, returnable for 05.10.2026. PF be filed.
