 Cr.No.363/2026
 U/s.304(2),62 of BNS

.... Respondent / Complainant

Petition filed U/s. 480 BNSS to release the accused on bail.

This petition was filed on 22.05.2026 by the counsel for the petitioner Mr.M.Mahesh, Advocate and Learned APP filed objection for the Respondent and upon perusal of case records and on merits this court delivers the following.

ORDER

The petitioner/ Accused is seeking bail for the offence alleged to have been committed by him. U/s.304(2),62 of BNS in Cr.No.363/2026 of Palladam, Police Station.

2.The Learned counsel for the petitioner/accused would submit that the Respondent/Complainant has registered a false case against the Petitioner/Accused for an alleged offence under Section 304(2),62 of BNS and remanded by this hon'ble court on 13.05.2026 and for the past 10 days he is in judicial custody. The defacto complainant has preferred a false complaint against the petitioner on false ground. He has not committed any offence as alleged by the prosecution. The petitioner is no way connected with the said. The accused will not tamper the witness if he is released on Bail. The petitioner's family is depending upon him. There is no previous case against him. The Petitioner/Accused is the law-abiding citizen and he is hailing from very reputed family. The petitioner is the only bread winner of his family. The accused will not abscond or tamper with the prosecution witnesses if he is released on Bail. The

accused undertakes to appear before this Hon'ble court for every hearing without fail. The petitioner is ready to abide any condition, which may be imposed on them by this Hon'ble court. The Petitioner/Accused is prepared to furnish substantial sureties to their due appearance. The petitioner have not filed Bail petition before Hon'ble High Court at Madras.

3.The respondent filed reply and submitted that the case is still pending at the stage of investigation. At this stage if the Petitioner/ Accused is released on bail he will commit similar offence at various place and create law and order problems. Even he will even try to abscond to some other place and it will be difficult for police to secure him. Even he will try to tamper the investigation. Hence the prosecution side strongly opposed to release the accused on bail.

4. On perusal of material placed on records, I Seen that the petitioner was remanded to judicial custody on 13.05.2026 Further the petitioner has also been charged U/s.304(2), 62 of BNS. The prosecution side stated that the accused tried to steal the plaintiff's cell phone. The case is still pending at the stage of investigation. At this stage if the Petitioner/ Accused is released on bail will flea way from justice. If the petitioner on bail he may tamper the witnesses abscond and avoid trial proceedings and also create law and order problem. Hence, I am not inclined bail to the petitioner.

5. In the result, this bail Petition is dismissed.

Judicial Magistrate,
Palladam.
